- C. The term "grievance" as used herein means an appeal by an individual employee or the Union on behalf of an individual employee or group of employees, from the interpretation, application or violation of policies, agreements and administrative decisions affecting them.

Disputes concerning terms and conditions of employment controlled by statute incorporated by reference in this Agreement, either expressly or by operation of law, shall not be processed beyond Step Three herein.
- E. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent.

Step 1: The aggrieved or the Union shall institute action under the provisions herein within fifteen (15) working days after the event giving rise to the grievance has occurred, and an earnest effort shall be made to settle the differences between the aggrieved employee and the Division Manager/Department Head or his/her designated representative for the purpose of resolving the matter informally. Failure to act within said fifteen (15) work days shall be deemed to constitute an abandonment of the grievance.

Step 2: If no agreement can be reached orally within fifteen (15) work days after the initial discussion with the Division Manager/Department Head, the employee or the Union may present the grievance in writing within fifteen (15) days thereafter to the Division/Department Head, or his/her designated representative. The written grievance at this Step shall contain the relevant facts, the applicable section of the contract violated and the remedy requested by the grievant. The Division Manager/Department Head will schedule a meeting with the employee and a Union representative within fifteen (15) work days after receipt of the written grievance. The Division Manager/Department Head or his/her designated representative will answer the subject of the grievance in writing within fifteen (15) work days of said meeting.

Step 3: If the Union wishes to appeal the decision of the Division Manager/Department Head, such appeal shall be presented in writing to the Township Manager within fifteen (15) work days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Township Manager will schedule a meeting within fifteen (15) work days after receipt of the

written submission. The Township Manager shall respond in writing within twenty-five (25) work days of said meeting.

Step 4: If the grievance is still unsettled, either party shall have the right within twenty (20) work days to submit the dispute to arbitration pursuant to the rules of the Public Employment Relations Commission. The costs for the service of the arbitrator shall be borne equally by the Township and the Union. Any other expenses including, but not limited to, the presentation of witnesses shall be paid by the parties incurring the same.

- F. The parties direct the arbitrator to decide, as a preliminary question, whether he has jurisdiction to hear and decide the matter in dispute.
- G. The arbitrator shall be bound by the provisions of the Agreement and the Constitution and laws of the State of New Jersey, and be restricted to the application of the facts presented to him/her involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.
- H. Upon prior notice to and authorization of the Township Manager, no more than two (2) Union representatives shall be permitted as members of the grievance committee to confer with employees and the Township on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the Township or require the recall of off-duty employees.
- I. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contact the time limits for processing the grievance at any step in the grievance procedure.
