**BUY FRESH
BUY LOCAL**

Galloway Township recognizes that building a healthy economy depends on supporting local businesses, and building a healthy community begins with healthy food.

BUY FRESH, BUY LOCAL is a brief list of local businesses that produce or use locally-sourced fruits, vegetables, herbs, honey, eggs, meats, seafood and baked goods. Also included here are businesses from neighboring towns that participate in Galloway Township community events like the Galloway Green Market.

We update this booklet periodically. To suggest a business, please contact the Office of Sustainability at (609)652-3700, ext 209.
